shade of the great ancient trees. The diversity of taste of the individuals who built these homes is a feast for the eye. The captains, who returned to this port, came home to a snug beauty which is retained, enhanced, to this day. There is a very special aura of the independent individual. It is present on the streets of this island village and in the facades of the homes that line those streets above a harbor that remains as it was decades into a past era.

Bumper Crop of Mosquitoes

MATTAPOISETT SELECTMEN'S MEETING
MAY 14, 1991-by VIRGINIA MORGAN

"It's mosquito time again this year", said Dan Daly, Plymouth County Mosquito Control officer, who predicted a "bumper" crop this year. He met with selectmen last Tuesday to inform the board what steps are being taken to ward off the annual onslaught.

The officer explained, "Some of the most ferocious mosquitoes breed in Mattapoisett salt marshes and are known to travel 20 miles to bite a victim. They breed heavily in the spring after spring flood tides when pools of water are left standing.

"This will be a bumper crop this year and by Memorial Day the town will have a significant number of mosquitoes. We are now doing direct application with a spray of a bacteria (BIT). We are also going out with a truck to spray for larvae in large swamps and salt marshes. If townspeople see a white truck by the side of the road it will be the county workers spraying. This will keep the encephalitis problem down." He added that he felt last year the encephalitis scare was due in great part to the lack of accurate information to the public.

The officer noted if an owner "gives us permission we will spray an individual yard, There is no charge, as we tell people your

taxes have paid us. People can also call if they do not want to be sprayed." The Plymouth County Mosquito Control telephone number is 1-617-585-5450.

"In the past years we used malathion spray but it took 12 hours to take effect and was bad for bees. This new spray, 'Scourge', with the ingredient Resmethrin is preferable, as it takes only five minutes to kill and is absolutely non-toxic to bees. Our first priority is to eliminate breeding sites. Our second is to get the mosquito in the larva stage. In the egg stage most mosquito eggs hatch in a few days during warm weather and will need moisture to hatch. One female mosquito may lay up to 8,000 eggs in a lifetime, averaging 30 days."

Mr. Daly recommended residents keep their property free of standing water in such places as in old tires, buckets, bird baths and covers on swimming pools.

In other business, selectmen:

RECEIVED SEVERAL LETTERS from Police Safety Officer Paul Magee regarding three requests for safety corrections. One, that the three parking spaces directly in front of the Post Office be eliminated due to a potential safety hazard; second, restrict parking on the westerly side of Mechanic Street from Route 6 for 210 feet in place of the present 136 feet; third, replace lost speed limit signs on Brandt Island and Mattapoisett Neck Roads. All recommendations have been approved by Police Chief James F. Moran.

Officer Magee wrote, in part, "The parking spaces in front of the Post Office can

only be used by motorists entering the lot from Route 6 because of the short distance from the front of the building to Route 6; the only way to exit is to back out on the highway due to the construction of an island that eliminated an exit on to Mechanic Street. This is the only parking lot on Route 6 where vehicles must back out. This area is very congested and has been the location of many fender benders in the past." Additionally, "With the construction of the NBIS bank building on Route 6 and Mechanic Street, I have noticed the parking situation has become worse. People are parking on the west side of Mechanic Street, making it difficult for people to back out of the side lot of the Post Office and also obstructs the view of motorists exiting the bank lot. I request the westerly side of Mechanic Street from Route 6 for 210 feet south be posted as no parking."

Also, "Mattapoisett Neck Road and Brandt Island Road have no speed signs displayed; they have either been stolen or were never properly posted. Speed limits are already established in the town by-laws; however, they need to be properly posted."

Selectmen agreed the parking in front of the Post Office is a disaster waiting to happen, and supported the safety officer's recommendations. The board agreed, in principle, with the Chief's and Officer Magee's recommendation, but recommended the officers speak to Wayne and Ted Walega, owners of the property leased by the government, to come to a parking so-

Selectmen voted to have removed as soon as possible, at the suggestion of Jon Ruel, the single piling because of its interference with small skiffs getting into the docking space on Middle Wharf. Harbormaster Steven Mach said he had no problem with having it removed even though it cost $5. per foot to install. "If Brownell can't do it, we will have to wait for a company that is in the area to do it or the cost to come for one piling will be expensive." Mr. Mach said there is a problem with people who come in from their boat for a day's stopover to find a spot to place a dinghy. He suggested a spot behind the breakwater for a floating dinghy dock, about 8 feet by 20 feet, with a ladder to the wharf. "We do need permission from the U.S. Army Corps of Engineers", said Mr. Mach.

Selectmen Chairman John DeCosta asked what funds are available to build the float. Mr. Mach felt work could be done with his own crew with funds from the Enterprise Fund returned from a previous $1,500 allocation for a dinghy storage design, which John DeRugeris did free.

Mr. Brownell earlier felt the hinges would not stand up under a storm. Mr. Mach said he checked the hinges which have been in place for several years and felt they

lution satisfactory to all concerned.

MET WITH Harbormaster Steven Mach to discuss the safety concerns at the wharves recommended by Thomas Brownell of Brownell Boat Works and John Ruel. The issues included: hinges on the middle wharf ramp, placement of the harbormaster's boat, base of the swordfish wind vane and foremost, the single pile on the east side of middle wharf.

would last one more year while the wharf is being reconstructed this fall. Mr. Mach said he will recheck them.

The Harbor Advisory Committee felt the harbormaster's boat should be placed on the east side of the middle wharf float; neither the selectmen nor the harbormaster agreed with this spot. At the present time the boat is being kept at the Town of Mattapoisett/ Board of Selectmen's space, but will be moved when all are agreed on a space. Mr. Mach reported the highway department, under Wesley Bowman, has replaced the base for the swordfish vane, which was in poor condition.

On another matter, Selectman Daniel O. Mahoney reported on a Harbor Advisory Committee meeting at which an understanding was reached that the selectmen want the advisory committee to remain in effect, with a change in membership make-up. The new committee will not include the harbormaster nor shellfish constable, leaving a six member committee. Also, no selectman will serve as a representative. Selectmen will retain control over decisions, with the committee making comments and suggestions.

The only parking change made was for the central area in front of the office building; two spots for the harbormaster, one handi-

GRANTED PERMISSION to the July 4th Road Race Committee, represented by Charles Prefontaine and Robert Caswell, to conduct the 21st annual five-mile holiday road race. Selectmen agreed they wished the committee a successful race.

Mr. Prefontaine said, "This year will be bigger and faster, starting at 10 a.m. at, and ending at, Shipyard Park, the last runner should be in about 11 a.m. The race will move faster this year because of a computer bracelet that will record the exact time the runner comes in." The computer program was designed by Frank White, nephew of the late George White, who works for Draper Laboratory, a subsidiary of Massachusetts Institute of Technology. "We hope to see last year's racers Jeff Smith, Dave Jenney and other regulars again this year."

Last year there were 560 contestants; "we hope to have more this year", said Mr. Prefontaine. An incentive to more contestants will be the first prize - a painting for each of the male and female winners, painted by "one of their own".

The Fairhaven Savings Bank has bought two paintings by Johnny Kelley of Dennis, the 83 year old Boston Marathon runner, who particiapted for 60 years at Boston. The paintings will be on display at the Mattapoisett branch of the bank from June 24th until the race. Mr. Kelley will be at the bank at 11 a.m. on June 24th for the presentation.

Another major change, said Mr. Prefontaine, will be the money realized from the race going to scholarships to graduates of Old Rochester Regional High School and Old Colony Regional Vocational-Technical High School. In previous years the proceeds of $3,000 to $4,000 were also given for scholarships to

ACCEPTED WITH DEEP REGRET the resignation of Ruth Jenney from the Finance Committee, effective June 30, 1991.

After serving for 11 years, Mrs. Jenney feels it is time to step down and give someone else the opportunity to serve. "It has been a pleasure to serve with many dedicated people over the years and it has been a great learning experience." The board will send a letter thanking Ruth for the many hours of dedicated service before and after town meetings.

DENIED A REQUEST from Niagara Communication, Inc. of Snyder, New York to install a base and antenna system on the catwalk of the North Street Water Tower.

Letters from Police Chief James Moran and Water/Sewer Superintendent William Nicholson, speaking for the Water/Sewer Commissioners, both expressed strong opposition to the antenna. Mr. Nicholson said the aesthetic appearance would be detrimental and no walkway should be on the town tower. Chief Moran said there would be no benefit to the

Mattapoisett Tax Rate

ANNOUNCED BY ASSESSORS

The Mattapoisett Board of Assessors has announced the new tax rate for fiscal 1991, the period from July 1, 1990 to June 30, 1991, at $9.05. Last year's tax rate was $10.30. "There will, however, be new assessments on property", board member Michael L. O'Brien said.

Assessors O'Brien said the state Department of Revenue (DOR) certified Mattapoisett's tax rate on Wednesday, May 15th. This date is earlier than had been anticipated, Mr. O'Brien noted, but "we have been pushing the DOR in the past few weeks".

"Tax bills will be sent out as soon as Town Treasurer Tax Collector Kathleen Briggs can prepare them, most probably before June 1st," Mr. O'Brien said.

Mr. O'Brien added "we were quite sure what the tax rate would be according to our preliminary figures, but we couldn't make any announcement until the rate was certified."

At the May 14th selectmen's meeting the Board of Assessors discussed the right of Mattapoisett to retain the Classification One that all property will be assessed at the same rate and not at separated rates for commercial/ industrial/personal and residential.

Assessor Harvey J. Blanchette said his board would like to go with one classification and stay the way it is now. Assessor O'Brien noted there is not sufficient commercial property to make two classifications work. Mattapoisett has 92 percent residential and 8 percent commercial/industrial/personal. The effect on commercial would be devastating, whereas the effect on residential taxpayers would be pennies, he noted.

Selectmen Chairman John DeCosta commented, "the little business guy would get hurt. We need to keep all the businesses we have."

According to the letter from the state DOR, Mattapoisett's certified fair cash value assessments include: residential, $582,049,100; open space, $24,000; commercial, $38,006,744; industrial, $2,282,100; personal property, $13,208,162, for a total certified fair cash value assessment of $635,570,106.

Memorial Scholarships Awarded

The Memorials Committee of the Mattapoisett Congregational Church is pleased to announce the recipients of the two $750.00 scholarships. Best wishes go to Jennifer Nightlinger of ORRHS who will attend Fitchburg State College and major in early childhood education, and Matthew Weniewski, a sophomore at Georgetown Unviersity, major-

Marion Memorial Day

All units participating in the Memorial Day Parade and Observance in Marion are requested to report to the Music Hall, Front and Cottage Streets, at 8 a.m. on Monday, May 27th. All units will be in parade formation by 8:45 a.m.

The Memorial Day Observance will begin with the raising of the colors by the Marion V.F.W. with the National Anthem by the Old Rochester Regional High School Band. After a short ceremony at the Civil War Monument, the parade will proceed as follows: south on Front Street to Main Street, west on Main to Route 6, south to entrance of Evergreen Cemetery, proceeding to the rear of the cemetery to the Civil War Monument; parade returns to Route 6 through the same entrance, north on Route 6 to Main Street, east on Main to Srping Street and stops between the Town Hall and Library (WWI Monument); continues north on Spring to Old Landing Cemetery for graveside ceremony at the grave of Benjamin D. Cushing, through the cemetery, north on Route 6 to Ryder's Lane, east on Ryder's and to Old Landing Wharf for ceremonies at the WWII, Korean and Vietnam Monuments. The parade will then continue South on Front Street, returning to Music Hall.

Benefit Dance, June 7

June 7th is almost here. We still have some tickets left for the fund-raising dance to be held at the Knights of Columbus Hall in Mattapoisett.

This dance is being sponsored by the "Friends of Paul Hubbard". There will be dancing from 7 p.m. to midnight. Pastry and coffee will be served. There will be door prizes and raffles.

Proceeds of the dance will go towards the purchase of a van for Paul.

For tickets please call Debbie at 758-4252.

CHOWDER SUPPER A SUCCESS

The Republican Chowder Supper held at the Knights of Columbus was a big success. Over 200 people from the towns of Marion, Mattapoisett, Rochester and Wareham were served. Jon Bryan, candidate for U.S. Representative, was introducted to the people attending. Representative John Bradford and State Senator Erv Wall arrived late because they were in Boston trying to get a budget passed.

Mr. Bradford addressed the audience concerning the budget crisis. He said that he is impressed by the bi-partisan relationship that both houses are showing. Be-

cause the state is so close to declaring bankruptcy, everyone is being forced to work together to cut the budget.

The Committee wishes to thank the Old Hammondtown School Jazz Band for providing the music. The band played two sets, one at 6:00 and another at 7:00. They received standing ovations. The people from Marion, Rochester and Wareham could not believe the students were from an elementary school. Representative Bradford was impressed by the quality of the music program in the Mattapoisett Schools.

prised of twenty-four students from grades five and six. The band was graded on the basis of the music they played and was judged in the junior high school category. The young musicians and their conductor, Mr. Stanley Ellis, were delighted with the judges' decision to award them a silver medal for their performance. The junior high school bracket was highly competitive and included six junior high school bands. The second place award left the band with a well-earned feeling of pride and accomplishment.

Following the formal presentation the band spent a half-hour critique session with a professor from Westfield State College and received generous praise from him. He reviewed portions of their program and couldn't say enough about the way they played, especially considering the fact of their age. Of course he had many fond things to say about Mr. Ellis.

The band literally floated back to Mattapoisett.

On Monday, May 13th, the concert band performed for the Mattapoisett School Committee and many parents. After their presentation the band members were presented with individual trophies by Mr. Steven Valliere, a member of the Mattapoisett School Committee. The trophies symbolized their many fine per-

formances and certainly spurred them on to other performances of the school's jazz and concert bands scheduled between now and the end of the school year.

The Old Hammondtown School staff and students, and the community at large, are very proud and pleased with our school's music program. The school's jazz and concert bands' award winning accomplishments are magnified by the fact that the total population of Old Hammondtown School is less than 200 students.

writing a book to Mrs. Smith's 6th grade English classes. While a volunteer at the New Bedford Whaling Museum, she became interested in art and was given the project of researching artists. It took ten years of planning and writing to complete the book.

She told the students that at times she was discouraged when her manuscript was sent back with red marks made by the editor showing where changes were needed. The students understood how she felt. She said she did most of her work on computer disc so corrections were easier.

Mrs. Blasdale passed around her original manuscript for the students to see, and pictures of paintings that appear in her book. The pictures showed scenes and people of the early 1800s.

She told the students to do research on things that they have an interest in for fun. She said she is thinking about writing another book because she says it's fun.

"Flowers" for Nursing Homes

MADE BY MATTAPOISETT SENIORS

Story and photos by Virginia Morgan

Helping others and working together for fun has been the purpose of the group of senior ladies meeting at Village Court. As a result of the three sessions, in addition to the fun, the ladies have made decorations with pine cones and shells, stenciled stationery, and the latest work of art is "flowers". These wooden tulips are painted and put on bases to be given to Mattapoisett patients in area nursing homes.

Nancy said these "flowers" need no water or special care -- they are just to put on a bedside table or to decorate a room and to enjoy.

At a special occasion last Wednesday, May 15th, Carolinda "Carrie" Silveira, who made a picture designed as flowers made from local and Florida shells, presented the art work to Pat Bernard, a member of the Mattapoisett Housing Authority for allowing the ladies to meet at Village Court.

Mrs. Bernard said, in accepting the gift, "The art work will be displayed in the Village Court office." On behalf of the other authority members, Mrs. Bernard thanked Carrie for the lovely picture.

In difficult times we must use more than the data at hand to live constructively and be available for a new order. We must also believe that what we create, i.e., families, must be the source of new life. What will be our vision for those for whom we are responsible? Do we have enough imagination to see the world we want to recreate? The title of the sermon at the Mattapoisett Congregational Church on Sunday, May 26th, will be "It Seems Like . . .". Our worship service begins at 10:00 a.m. and all are welcome.

Letter to the Editor

The Old Rochester Regional District School Committee developed a budget in concert with the Boards of Selectmen, the Finance Committees of the three member towns, and the Old Rochester Regional Advisory Committee.

Throughout this budget process there was a general understanding by all concerned that we were in difficult economic times, and, as such, this fact would guide our work on the budget. The initial budget was a 10.2 percent increase over last year, and the school committee immediately went to work to reduce the budget by $151,305, and finally adopted a budget with a 7.6 percent increase. This increase is broken down as follows: 4 percent was tied to fixed charges, those charges such as health insurance costs, owner's

liability insurance, and county pension costs which must be paid, including the $37,000 in additional pension charges levied by the state. A .6 percent increase in utilities; a .5 percent increase in transportation; and a .2 percent increase in Special Education. The balance of the operations represents a 2.3 percent increase. It is this 2.3 percent increase that will continue to provide the services that we have been offering to our students.

There were many concerns expressed during the budget process meetings, and each concern of every group and individual was addressed and was resolved to everyone's satisfaction. We have no fixed amount of state aid known to us. We are estimating at 100 percent of what the state has projected. Should this fail, then we would need to go back to reevaluate the budget. During the budget process, we were advised by the state that it would reduce its participation in local aid to the towns and the District. The state reduced the District Cherry Sheet by $154,955.

Early in the budget process, the school committee and the Old Rochester Regional Advisory Committee, based on actual receipts, reduced estimated revenue from $1,131,304 to $1,105,775 (a reduction of $25,529). Soon after, the state advised us of an additional local aid cut of $129,000. At a meeting of

the Old Rochester Regional Advisory Committee, it was unanimously agreed upon that the District would absorb one half, i.e., a budget cut of $65,000 and the towns' assessments would absorb the other half.

Presently, the impact of the towns' actions on the Old Rochester Regional District School Committee's budget and assessments are as follows: Marion has voted an override which fully funds the District's certified assessment. Mattapoisett has budgeted 2.5 percent in action taken at Town Meeting and has on the ballot an override of $182,542.03 to fully fund its share of the certified assessment. Should it fail at the ballot box, the District would have to reduce its budget $478,313.03. Rochester's recommendation requires an override of $165,989.17 to fully fund its certified assessment. If this fails it would require the committee to reduce the budget $480,942.98. Either of these possibilities would reduce dramatically the services offered to students.

Sincerely, Joseph F. Napoli,
Chairman
Old Rochester Regional District
School Committee

LEGAL ADVERTISEMENTS

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by DENNIS DENISON, to FIRST FEDERAL SAVINGS BANK OF AMERICA, a banking institution organized and existing under the laws of the United States of America, having its principal place of business at One North Main Street, Fall River, Bristol County, Massachusetts, said Mortgage dated MAY 31, 1988 and recorded with Barnstable County Registry of Deeds in Book 8488, Page 151; of which mortgage the undersigned First Federal Savings Bank of America, holder, for breach of the conditions contained in said mortgage and for the purpose of foreclosing, the same will be sold at Public Auction at 10:00 o'clock A.M. on Friday, the 7th day of June, 1991, on the premises below described, being known as and numbered 18 Naushon Road, Wareham, Massachusetts and being the premises described in said mortgage,
TO WIT:
The land with the buildings thereon situated in Wareham, Plymouth County, Massachusetts, more particularly bounded and described as follows:

NORTHWESTERLY by Naushon Road as shown on a plan hereafter mentioned one hundred (100) feet; thence
NORTHEASTERLY by Lot 46 as shown on said plan one hundred (100) feet; thence
SOUTHEASTERLY by land now or formerly of Campanelli Inc., shown on said plan as "Recreation Area" one hundred (100) feet; and thence
SOUTHWESTERLY by Lot 44 as shown on said plan one hundred (100) feet.

Containing 10,000 square feet more or less and being shown as Lot 45 on a plan entitled "Subdivision of Land to be known as Westfield 2 owned by Campanelli, Inc., Wareham, Mass." dated July 15, 1971, Walter E. Rowley & Associates, West Wareham, Mass., duly recorded with Plymouth Registry of Deeds in Plan Book 16, Page 229.
Together with all the rights, privileges and easements connected therewith and subject to restrictions and easements of record and are hereby conveyed subject to any building and zoning law requirements which may be in force and applicable.

There is also included in the sale all equipment and fixtures situated on the above described premises to the extent the same are part of the realty.

Said premises will be sold subject to and/or with the benefit of any and all restrictions, easements, improvements, covenants, outstanding tax titles, municipal or other public taxes, assessments, liens or claims in the nature of liens, and existing encumbrances of record created prior to the mortgage, if any there be.

Said premises will also be subject to all leases and tenancies having priority over said mortgage, to tenancies or occupations by persons on the premises now or at the time of the said auction which tenancies or occupations are subject to said mortgage, to rights or claims in personal property installed by tenants or former tenants now located on the premises, and also to all laws and ordinances including, but not limited to, all building and zoning laws and ordinances.

No representations, express or implied, are made with respect to any matter concerning the premises which will be sold "as is".
TERMS OF SALE:

The highest bidder in the sale shall be required to deposit cash, bank treasurer's check, or certified check in the amount of FIVE THOUSAND DOLLARS ($5,000.00) at the time and place of each sale of the premises.

The balance of the purchase price on the sale shall be paid in or within thirty (30) days thereafter to be deposited in escrow with the mortgagee pending approval of said sale by the Superior Court. The deed for the premises shall be transferred within ten (10) days from the date of approval of said sale by the Superior Court, said approval being the only condition of the escrow. The successful bidder at the sale shall be required to sign a Memorandum of Terms of Sale containing the above terms at the Auction sale.

Other terms, if any, to be announced at the time and place of each sale.

BEGINNERS' CLASS

Want to have fun? Then come to the beginners' line dancing class at the new Rochester Senior Center on Mondays at 1:30 p.m.

Fairhaven Memorial Day

Sunday, May 26th, services will be held in the morning beginning at 10:00 a.m. in the Church of the Good Shepherd, 357 Main Street, Fairhaven. Members of the American Legion Post #166, the Veterans of Foreign Wars Post #2892 and the Ladies Auxiliaries are asked to meet at the Oxford School, Fairhaven at 9:30 a.m.

On Monday, May 27th, parade participants will assemble at the corner of Main and East Morgan Streets, Fairhaven at 8:00 a.m. and will step off at 8:30 a.m.

The marchers will proceed south on Main Street, stopping at Benoit Square for flag raising ceremonies by the American Legion Post #166 and the Veterans of Foreign Wars Post #2892.

The parade will continue on Main Street to the Riverside cemetery at which time Memorial Day Services will be observed. Following the exercises at the cemetery, the marchers will reassemble and will continue south on Main Street, stopping at Pilgrim Avenue to pay tribute to the veterans lost at sea, then proceed to Fairhaven High

of Education. Project GROW staff will conduct the screening in the pre-school classroom at the Sippican School.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target", call 748-0100 for an appointment.

Screening clinics will again be offered regularly throughout the '91-'92 school year.

The Twelve Steps

AWARENESS HOUR

The Marion Center Associates Foundation will present the fourth in its spring series of awareness hours on Saturday, June 1st, from 10:00 a.m. to 12:00 noon at Saint Gabriel's Parish Hall, 124 Front Street in Marion. The program will feature the showing of a videotape entitled "The Twelve Steps", which offers a general understanding of twelve-step programs and their principles. A time for questions and discussion will follow.

"The twelve steps are a rich resource," comments Dr. Arthur Sklut of the Marion Center Associates. "They talk about being honest with oneself, being open to change, taking action where appropriate and letting

"This awareness hour will offer a basic overview of twelve-step programs", Dr. Sklut adds, "and there will also be some sharing and discussion about the significance of the steps and about how they can work in one's life."

The program will be free of charge. For more information call 748-2850.

Dunes of Horseneck Beach

Have you ever wondered how dunes on the beach are formed and what purpose they serve? If so, you can find out by taking advantage of the Lloyd Center for Environmental Studies' "Dunes of Horseneck Beach" guided nature walk on Sunday, May 26th, from 1:30 to 3:30 p.m. Led by Benjamin Guy, a Lloyd Center volunteer, participants will investigate the ever-changing dune system of Horseneck Beach in Westport. Mr. Guy will explain how wind, waves, tides and currents shape and create dune systems and will interpret the phenomenon directly to Horseneck Beach. Also discussed will be how seasonal changes shape the area.

Fees for the "Dunes of Horseneck Beach" guided nature walk are $3. for Lloyd Center members, $5. for non-members, and $1. for children under 12. For more information and registration regarding this fun and educational nature walk contact the Lloyd Center

Ruth Edwards at SMU

"RAINBOW OF SEASONS"
SLIDE PRESENTATION

Of special interest to gardeners and plant lovers, on Sunday, May 26th, at 2:00 p.m., well-known photographer and naturalist Ruth Edwards will present a program of slides entitled "Rainbow of Seasons". This presentation will take place in Room 135 of Southeastern Massachusetts University's Fine Arts Building. Ms. Edwards will share her knowledge of New England flowers and plants in slides that portray the beauty of all seasons of the year.

Refreshments will be served. The SMU Library Associates are sponsoring the program, which is free and open to the public. Please use parking lots 8 and 9.

Classic Film Series

"THE FRESHMAN"

The Zeiterion's Classic Film Series will conclude on Thursday, May 23rd, at 2:00 p.m. and 7:00 p.m. with the silent comedy, "THE FRESHMAN". This classic film is considered to be one of the funniest films Harold Lloyd ever made. The film will be presented with live organ accompaniment provided by Lee Erwin on the restored Grimshaw-Gudewicz Wurlitzer Theatre Organ. Mr. Erwin was the chief organist for the famous "Moon River" radio program on Cincinnati's WLW radio, and later became organist, composer and arranger for the various Arthur Godfrey shows. He has composed new scores for many of Hollywood's silent movie masterpieces, giving them new life on theater organs in movie palaces across the nation.

"The Freshman" was first screened in New York City at the Colony Theatre on September 21, 1925. In the film Mr. Lloyd plays the role of a young college student with athletic aspirations. The film is a comedy from start to finish as the audience follows this eager young man who stumbles his way through college life and into the big football game.

During his career Mr. Lloyd made several films with a common theme of a naive, young man who is delighted by all the novelty of the 20th century, but each was presented a little differently. The films ranged from the languid millionaire of "A Sailor-Made Man" and "For Heaven's Sake", to the go-getter of "Safety Last", and from the nervous youth of "Girl Shy" to the desperate trier of "The Freshman", but they were all Lloyd, and each was what the Freshman so wanted to be - "a regular fellow".

Tickets for the Classic Film Series are $5.00 each; senior/student tickets are $4.50; group rates available. Tickets are available at the Zeiterion Box Office at 994-2900, and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

The Zeiterion Theatre is located at 684 Purchase Street in historic downtown New

SUN RUNNER
Molded rubber cupsole/ heel counter provides lateral stability.
Washable 4-way stretch mesh/ neoprene upper drains and dries quickly.
Triple reinforced, soft neoprene toe bump protects the toes and prevents blow-outs.
Slip-resistant sole controls footing on wet surfaces.
Full cushioned midsole supports and cradles feet.

SUN RUNNER™

Feet will feel right at home in a pair of amphibious Omega Sun Runner watersport slip-ons. Neither rain nor surf will spoil the quick drying, ventilated stretch mesh and soft wetsuit materials. Underneath it all, the Sun Runner provides full support and cushioning for the street and a slip-resistant outsole to control footing on slippery ground. From pool side to beach bumming to just hanging out with friends and family, this shoe is the comfortable and practical summer shoe. Whole sized for men, women, and children. Imported.
